Last Christmas, I gave you my heart
The very next day you gave it away
This year to save me the tears
I'll give it to someone special.

This year to save me the tears
I'll give it to someone special.

This year to save me the tears
I'll give it to someone special.

A face on a lover with a fire in his heart
A man undercover but you tore me apart
Now I've found the real love, now I found
You'll never fool me again!
