Hello, good morning, how You do?  
What makes Your risin' sun so new?  
I could use a fresh beginning too  
All of my regrets are nothing new  
So this is a way, that I say I need You  
This is a way  
This is a way

That I'm learning to breathe  
I'm learning to crawl  
I'm finding that You and You alone can break my fall  
I'm living again, awake and alive  
I'm dying to breathe in these abundant skies

Hello, good morning, how You been?  
Yesterday left my head kicked in  
I never, never thought that  
I would fall like that  
Never knew that I could hurt this bad

I'm learning to breathe  
I'm learning to crawl  
I'm finding that You and You alone can break my fall  
I'm living again, awake and alive  
I'm dying to breathe in these abundant skies  
These abundant skies  
Yeah, abundant skies, yeah

This is a way that I say I need You  
This is a way that I say I love You  
This is a way that I say I'm Yours  
This is a way  
This is a way

That I'm learning to breathe  
I'm learning to crawl  
(Learning to breathe)  
I'm finding that You and You alone can break my fall  
I'm living again, awake and alive  
(Living again, awake and alive)  
I'm dying to breathe in these abundant skies

(I'm dyin')  
Yes I'm dying to breathe in  
(I'm dyin')  
These abundant skies  
These abundant skies, yeah, yeah, yeah, yeah  
I'm learning to breathe  
I'm dying to breathe in these abundant skies  
Hello, good morning, how You do?  
How You do?  
How You do?  
(I'm dyin')
