Sometimes I wonder  
what's holdin' me back  
from runnin' this race  
at a steady pace.  
I start out fast  
but go clingin' to my past.  
And suddenly,  
I'm sitting in last.

Here and now is where I wanna be,  
not hangin' on some worn out memory.  
And I know  
the best thing for my love,  
sometimes you just gotta,  
you gotta let it go.

Stand up, please  
and change the channel on my mind.  
Another scene,  
any other scene would soon be just fine.  
Rehashin', rehashin', reinactin' all the times.  
I keep returning to  
the scene of the crime, yeah.

Here and now is where I wanna be,  
not hangin' on some worn out memory.  
And I know  
the best thing for my love,  
sometimes you just gotta,  
you gotta let it go.

I know, I know, I know, I know.  
I know, I know, I know, I know.  
I know, I know, I know, I know.  
I know, I know, I know, I gotta let it go!

Here and now is where I wanna be,  
not hangin' on some worn out memory.  
And I know  
the best thing for my love,  
sometimes you just gotta,

you gotta let it go!

Here and now is where I wanna be,  
not hangin' on some worn out memory.  
And I know  
the best thing for my love,  
sometimes you just gotta,  
you gotta let it go!

Here and now is where I wanna be.  
Here and now is where I wanna be.  
Not hangin' on the worn out memories,  
here and now is where I wanna be
