Can you feel life movin' through your mind,
Ooh, looks like it came back for more!
Yeah yeah yeah!
Can you feel time slippin' down your spine,
Ooooooh, You try and try to ignore!
Yeah!

But you can hardly swallow,
Your fears and pain.
When you can't help but follow,
It puts you right back where you came.

Live and learn!
Hanging on the edge of tomorrow,
Live and learn!
From the works of yesterday.
Live and learn!
If you beg or if you borrow,
Live and learn!
You may never find your way.

Whooooa, yeah!

Can you feel life tangle you up inside?
Yeah, now you're face down on the floor!
Oh!

But you can't save your sorrow,
You've paid in trade!
When you can't help but follow,
It puts you right back where you came.

Live and learn!
Hanging on the edge of tomorrow,
Live and learn!
From the works of yesterday.
Live and learn!
If you beg or if you borrow,
Live and learn!
You may never find your way.

Hey, whoa, whoa,
Oh yeeeeeeeeeeeah!

-INSTRUMENTAL-

Yeah, yeah, yeah, yeah, yeah!

-INSTRUMENTAL-

There's a face searching far, so far and wide.
There's a place where you dream you'd never find.
Hold on to what if?
Hold on to what if?

Live and learn!
Hanging on the edge of tomorrow,
Live and learn!
From the works of yesterday.
Live and learn!
If you beg or if you borrow,
Live and learn!
You may never find your way.

Live and learn!
Hanging on the edge of tomorrow,
Live and learn!
From the works of yesterday.
Live and learn!
If you beg or if you borrow,
Live and learn!
You may never find your way.
