"Look Through My Eyes"

There are things in life you're learning
all in time you'll see
cause out there somewhere
it's all waiting
if you keep believing

So don't run
Don't hide
it will be alright
you see trust me
I'll be there watching over you

Just take a look through my eyes
Theres a better place somewhere out there
uh just take a look through my eyes
everything changes
You'll be amazed what you find
If you look through my eyes

There will be times on this journey
all you see is darkness
but out there somewhere
daylight finds you
if you keep believing

So don't run
Don't hide
it will be alright
you see trust me
I'll be there watching over you

Just take a look through my eyes
Theres a better place somewhere out there
uh just take a look through my eyes
everything changes
You'll be amazed what you find
If you look through my eyes

All the things that
you can change
theres a meanin' in everything

and you will find
all you need
theres so much to understand

Take a look through my eyes
Theres a better place somewhere out there
uh just take a look through my eyes
everything changes
You'll be amazed what you find
If you look through my eyes
