Love Is For Fools
Performed by Mint Condition

Love
Love is for fools
Why
We do what we do
Love is for fools

Love when it falls apart
And it breaks your heart
Into a thousand pieces
Time take these blues away
If it's love you say
Please be sure you mean it

Chorus:
Cause love is for fools
Love is for fools
Why do we do
The things that we do
Cause love is for fools

Tears falling from these eyes
Oh it's no surprise
While sitting in the dark
I think of love
Why must you burden me
With insecurity
For all I feel is pain and broken heart

(Chorus)

Love is, love is, for fools, fools
Love is, love is, for fools, fools
Love is, love is, for fools, fools
Love is, love is, for fools, fools

(Chorus)

Why do we do

Can't take these blues
Love is for fools
Oh
Make sure you're sure

(Chorus)

Why do we do, why do we do baby
Cause love is for fools
Why do we do the things we do baby
Love is for fools

Why do we do
The things that we do
Why do we do, why do we do baby
Cause love is for fools

Cause love is for fools
Why do we do, why do we do baby
Love is for fools
