Na na na,  
Na na na,  
Na na na na na na na!

Yeah!

You, make a wish on a star  
And believe in your heart  
You can be anything that you wanna be  
And you wish for a dream  
Give it time you will see  
There is nothing impossible when you!

Trust your heart  
(Trust your!)

Oh Cause that is where you find it  
Just give it a try

Close your eyes, make a wish  
Just believe you cant miss  
Gotta have faith in you  
(Yeah)

Take a chance, take a risk  
Hope is where the magic is  
Make all your dreams come true

You've, got the power inside  
Make your dream come to life  
You can be anything that you want now  
And your wish will come true  
And someday that you do  
When you learn to believe and have faith in

Trust your heart!  
Oh if that's the only secret  
Just give it a try!

Close your eyes, make a wish  
Just believe you cant miss  
Gotta have faith in you

(yeah)

Take a chance, take a risk  
Hope is where the magic is  
Make all your dreams come true  
(come true yeah yeah)

Close your eyes, make a wish  
Just believe you cant miss  
Give a try you'll see  
(yeah you'll see)

Take a chance, take a risk  
Hope is where the magic is  
Make a wish and believe  
(yeah!)

Everyone's got some wish of their own  
Waiting to happen, ready to show  
We can do anything when we try  
So close your eyes, make a wish  
Now is the time!..

Na na na,  
Na na na,  
Na na na na na na!

Yeeeeaaaahhhh!

Na na na,  
Na na na,  
Na na na na na na!

Close your eyes, make a wish  
Just believe you cant miss  
(cant miss)  
(Gotta have faith in you)  
You gotta have faith in you!

Take a chance, take a risk  
Hope is where the magic is  
Make all your dreams come true  
(Make all your dreams come true!)

Close your eyes, make a wish  
Just believe you cant miss  
Give it a try you'll see  
(Give it a try now)

Take a chance, take a risk  
Hope is where the magic is
