Everything's been said before
There's nothing left to say anymore
When it's all the same
You can ask for it by name

Babble, Babble, Bitch, Bitch
Rebel, Rebel, Party, Party
Sex, sex, sex, and don't forget the violence
Blah, blah, blah
Got your lovey-dovey sad and lonely
Stick your stupid slogan in
Everybody sing along
Babble, Babble, Bitch, Bitch
Rebel, Rebel, Party, Party
Sex, sex, sex, don't forget the violence
Blah, blah, blah
Got your lovey-dovey sad and lonely
Stick your stupid slogan in
Everybody sing

Are you motherfuckers ready for the new shit?
Stand up and admit, tomorrow's never coming
This is the new shit
Stand up and admit it
Do we get it? NO!
Do we want it? YEAH!
This is the new shit
Stand up and admit it

Babble, Babble, Bitch, Bitch
Rebel, Rebel, Party, Party
Sex, sex, sex, and don't forget the violence
Blah, blah, blah
Got your lovey-dovey sad and lonely
Stick your stupid slogan in

This is the new shit
Stand up and admit it

Now it's you-know-who
I've got the you-know-what
I stick it in you-know-where
You know why, you don't care
Now it's you-know-who
I've got the you-know-what
I stick it in you-know-where
You know why, you don't care
Now it's you-know-who
I've got the you-know-what
I stick it in you-know-where
You know why, you don't care
