But niggaz is decaf I stick em for the CREAM

Deep as the abyss and brothers is mad fish accept it  
In your Cross Colour, clothes you've crossed over  
Then got Totally Krossed Out and Kris Kross  
Who da boss? Niggaz get tossed to the side  
And I'm the dark side of the Force  
Of course it's the Method, Man from the Wu-Tang Clan  
I be hectic, and comin for the head piece protect it  
Fuck it, two tears in a bucket, niggaz want the ruckus  
Bustin at me bruh, now bust it

Out her fuckin mind now I got mine I'm Swayze

[Chorus:]

Let me know it's real son, if it's really real  
Something I could feel son, load it up and kill one  
Want it raw deal son, if it's really real

[Interlude: Booster]

And when I was a lil stereo (stereo)  
I listened to some champion (champion)

Will now I be the numba one? (Tical! hahaha)  
Now you listen to de gargon (Gargon!)  
And de gargon summary  
And any man dat come test me (test me)

[Verse Two:]

Brothers want to hang with the Meth bring the rope  
the only way you hang is by the neck nigga poke  
off the set comin to your projects  
Take it as a threat, better yet it's a promise  
Comin from a vet on some old Vietnam shit  
Nigga you can bet your bottom dollar hey I bomb shit  
And it's gonna get even worse word to God  
It's the Wu comin through sickin niggaz for they  
garments  
Movin on your left, southpaw em it's the Meth  
Came to represent and carve my name in your chest  
You can come test realize you're no contest  
Son I'm the gun that won that old Wild West  
Quick on the draw with my hands on the four  
nine three eleven with the rugged rhymes galore  
Check it cause I think not when this hip-hops like proper  
Rhymes be the proof while I'm drinkin 90 proof  
Huh vodka, no OJ, no straw  
When you give it to me aiy, give it to me raw  
I've learned when you drink Absolut straight it burns  
Enough to give my chest hairs a perm  
I don't need a chemical blow to pull a hoe  
All I need is Chemical Bank to pay da mo'

What, basically that, Meth-Tical, ninety-four style  
Word up we be hazardous \*car crashing\* \*horn  
passing me\*  
Northern spicy brown mustard hoes  
We have to stick you  
[horn sound of car racing by]

[Chorus]

[Outro:]

I'll fuckin, I'll fuckin cut your kneecaps off  
and make you kneel in some staircase piss

I'll fuckin, cut your eyelids off  
and feed you nuthin but sleepin pills
