This is for all you shoppers out there

The best things in life are free  
But you can keep them for the birds and the bees  
Give me money  
That's what I want  
That's what I want  
That's what I want  
That's what I want

Your loving give me a thrill  
But your loving don't pay my bills  
Give me money  
That's what I want  
That's what I want  
That's what I want  
That's what I want

Money don't get everything it's true  
But what it don't get I can't use  
Give me money  
Lots a money  
That's what I want  
That's what I want

Give me money  
Lots a money  
A whole lotta money  
Just give me some money  
That's what I want  
That's what I want

Give me money  
Lots a money  
Just give me money  
A whole lot of money  
That's what I want  
That's what I want
