"Move On"

Well I been thinking 'bout the future
But I'm too young to pretend
It's such a waste to always look behind you
Should be lookin' straight ahead

Yeah, I'm gonna have to move on
Before we meet again
Yeah, it's hard
If you had've only seen

10.34: Flinders Street Station
I'm lookin' down the tracks
Uniformed man askin' am I paid up
Why would I wanna be that?

Yeah gonna have to move on
Before we meet again
Yeah it's hard
If you had have only seen
Take control
Don't be afraid of me

'Cause every once in a while
You think about if your gonna get yourself together
You should be happy just to be alive
And just because you just don't feel like comin' home
Don't mean that you'll never arrive

Yeah I'm gonna have to move on
Before we meet again
Yeah it's hard
If you had have only seen
Take control
Don't be afraid of me
