Their holding a case against me  
Procecutor, judge, and jury  
We had this conversation in your head  
Cuz I wasnt there you made up what I said  
I would have said  
you know me so well  
you heard how I am  
and how I'm going to Heaven  
Knows  
We've never had this conversation  
or should I be calling it econanation  
cuz your not listening to meeee....

Chorus:  
So na na na na na  
That's all I'm gonna say  
Cuz na na na na na  
made up your mind anyway  
na na na na na  
there's nothing I can do  
so na na na na na  
couldn't we be friends  
if not for you

I feel like a teacher from Charlie Brown  
all you hear is that wa wa wa sound  
baby I'm a pokemon  
Pikachu  
Cuz that's what comes out when I'm talkin to u  
( don't know)  
your superhero name is Mr. Right  
Instead of tryin to understand  
You tell all your friends know how wrong I am  
your not listening to meee.....

Chorus

Cant we be friends  
Why does it end before  
a word is even heard  
I rem at you

your attitude  
why can't you see that it's not me

Someday again I see  
the person I'm talking about is me  
a sounding move  
the enemy  
and the cross-hairs of my verbal  
no matter who wins  
we both lose  
no matter who starts  
we both choose  
to keep it going on and on and on and on  
and on  
but lets start listening and see

la la la la la

la la la la la sorry that it got this way  
la la la la la next time I won't let it scream  
la la la la la couldnt we start over..me and you
