I've been sending you letters  
Telling you how I wanna be beside you  
I've been going out of my mind  
trying to find a way to make you mine

Bridge:

Don't you think its time for you to  
give me just a little bit of your attention  
Time is up I've waited enough  
Better be prepared don't exspect me there

Chorus: Never gonna be the same again  
Never gonna be, the same again (repeat)

I've been dreaming about you  
Or is it in dreams you do anything I want to  
When I try to get closer to you  
You push me away, I dont know what to say  
(repeat bridge, repeat chorus)

Why can't you see whats going on with me  
Your gonna wait to late to find yours...  
(break)  
Why can't you see whats going on?  
(Repeat Chorus (2x))
