"Never Gonna Be The Same Again"

I've been going out of my mind
Trying to find a way to make you mine

Bridge: Don't you think its time for you to
Give me just a little bit of your attention
Time is up I've waited enough
Better be prepared don't expect me there

Chorus: Its never gonna be the same again
I'm never gonna be (never gonna be) the same again

I been dreaming about you
And in my dreams you do anything I want to
When I try to get closer to you
You push me away, I just can't deny
(repeat bridge + chorus(2x))

Why do you make it hard for me to breathe, Ooh Ooh!
I'm looking at you but you look right through me...
(break).. why can't you see whats going on
(repeat chorus (4x))
