It's getting late I have'nt seen my date
so tell me when the boys get here
It's seven o'clock and I want to rock
Want to get a belly full of beer

My old man's drunker than a bar full of winos
And my old lady she don't care
My sister lookin cute in her braces and boots
A handful of grease in her hair

Don't give us none of your aggravation
We had it with your discipline
Saturday night's alright for fighting
Get a little action in

Get about as oiled as a diesel train
Gonna set this town alight
'Cause Saturday night's the night I like
Saturday night's alright alright alright

Packed pretty tight in here tonight
I'm looking for a woman who'll see me right
I may use a little muscle to get what I need
I drink a fifth of Jack and scream out "She's with me!"

A couple of the sound that I really like
Are the sounds of a switchblade and a motorbike
I'm a juvenile product of the working class
Whose best friend floats from the bottom of a glass
