Guess it's my fault  
That I got caught up  
Knowing damn well that you & her just broke up  
You say its about  
Me and not the last  
She's the past  
Did I ask you 'bout how she was  
No I didn't, so

(B-section)

What made you think I wanna know  
What all ya'll did and felt before  
Tell me what the hell  
You even got wit me for, huh  
(tell me what the hell you even got wit fo)  
No matter how we fall you always show  
That you ain't never ever let her go  
Tell me what the hell  
You even got wit me for, huh  
You unlocked the door don't tell to go cuz' of

(Chorus)

How can we work it out  
When all I hear is 'bout you Exgirlfriend  
I don't care about your exgirlfriend  
Cuz' if we're so in love  
Why i'm I jealous of your Exgirlfriend

Always talkin''bout  
What I don't do and what she would do  
Baby would you would you stop  
(This is me)  
Just getting rid of her just pisses me off  
Cuz' if she's what you need  
Then why you steady hangin around wit me  
Then you better not let me leave  
Tell me why to \* on now  
If I got to hear one more about her, ooh

(B-section)

(Chorus)

(Bridge)

Don't tell me girl you can't go  
Save your breath cuz' baby I know  
You don't feel how you did before  
You ain't ready to let her go  
I can't wait no more time with you  
Knowing that I'll be number 2  
You don't feel how you did before  
You ain't ready to let her go

(Chorus till end)
