You think you're smart
you're not, it's plain to see
that you want me to
fall off, it's killing me
let's see you've got the gall
come take it all

the jury is coming
coming to tear me apart
all this bitching and moaning
come on it's on

i'm trapped in this world
lonely and fading
heart broken waiting
for you to come
we are stuck in this world
that's not meant for me
for me

so what you got?
one last shot
it seems to me that you're not needed
come on it's killing me
let's see you've got the call
come take it all

the jury is coming
coming to tear me apart
all this bitching and moaning
come on it's on

i'm trapped in this world
lonely and fading
heart broken waiting
for you to come
we are stuck in this world
that's not meant for me
for me

come on, it's on

come on, it's on
come on, it's on
come on, it's on

i'm trapped in this world
lonely and fading
heart broken waiting
for you to come
we are trapped in this world
that's not meant for me
for me
