You may find me just a little strange.
I like dancing barefoot in the pouring rain.
My mind is racing at the speed of light.
I dance around you like a satellite.
I'm reckless, You're speechless.

Scream, shout I love it loud.
I feel the need to stand out in the crowd.
Nothing's wrong with me.
Freak out and stand my ground.
Nothin' in the world is gonna get me down.
Nothing's wrong with me.

I say some thing that might not come out right.
I say them loud and proud and in the light.
Don't try to analyze or be profound.
'Cause life's too short to be so tightly wound.
I'm reckless, You're speechless.

Scream, shout I love it loud.
I feel the need to stand out in the crowd.
Nothing's wrong with me.
Freak out and stand my ground.
Nothin' in the world is gonna get me down.
Nothing's wrong with me

I can smile and i let it be.
Because I know that nothing's wrong with me.
Wrong with me, Wrong with me.

and if you ask about my attitude.
I'll say come on!
Just get a clue!

scream shout I love it loud.
I feel the need to stand out in the crowd.
Nothing's wrong with me.
Freak out and stand my ground.
Nothin' in the world is gonna get me down.
Nothing's wrong with me.
Nothing's wrong with me.

Nothing's wrong with me.
