[Intro]

Yeah, yeah (haha) haha

Yeah, uh (uh-huh-uh)

Uh (uh-huh-uh)

Uh (uh-huh-uh) uh

[Verse 1]

Niggaz ain't gon' be happy till I click on a rage

Pick up a gauge, and it's my face, that they stick on  
front page

Gotta be careful, I could pull a thick of the age

Chick on the stage, and wind up, sick in a cage

When I come through, it's usually in Dickies that's beige

Pushing a "Eleanor", like I'm Nicholas Cage

And it's funny how a few bucks can

Get you put under a white sheet, like you in the Ku Klux  
Klan

It's Street Fam' for life, we ride to the death

We play hard dog, don't cry to the rest

I don't know you, please move to the left

Or stay here and get introduced to the tefs

I'm riding till the wheels come off it (yeah)

Grindin till a mil' come off it (yeah)

This is my plate, I eat every meal from off it

Why y'all try and steal crumbs off it, jump!

[Chorus]

(Now ride) Top down, chrome rims spinnin and

(Now ride) Gun cock, hollows in the clip now

(Now ride) Chop rocks, put it on a strip now

(Now ride) Y'all know Street Family gon' (ride)

(Now ride) Top down, chrome rims spinnin and

(Now ride) Gun cock, hollows in the clip now

(Now ride) Chop rocks, put it on a strip now

(Now ride) Y'all know Street Family gon' (ride)

[Verse 2]

Now when I spray wit the sauer, I gotta spend a day wit  
the lawyer

Worryin bout, who say that saw ya

Keep yay wit the oyers, two kids on the block

Like when Mourning and Mutumbo, used to play wit the  
Hoyas  
I'ma boss, that you can never upstand  
Or get a red dot on you, like a 7Up can  
Some of y'all caught feelings from way back  
Others waited till I came through, short willing the  
Maybach  
But I'm still bucking like, five, duce, four, trey  
Still tucking and letting the fo' spray  
Still ducking where ever the po's lay  
And still fucking, and making them hoes say, WHOA!  
...And I know Fed's seen  
The old school Chevy, with the dope head lean  
Y'all love the way I R-I-D-E  
Call my D.E., and put you on a R.I.P.T., ghetto

[Chorus]
