Oldies Medley
Blue Moon / We Belong Together
Performed by The Vidal Brothers

Blue moon
You saw me standing alone
Without a dream in my heart
Without a love of my own

Blue moon
You knew just what I was there for
You heard me saying a prayer for
Someone I really could care for

You're mine
And we belong together
Yes we belong together
For eternity (eternity)

You're mine
Your lips belong to me
Yes they belong to only me
For eternity, etern - eternity

You're my, my, my baby
And you'll always be (you'll always be)
I love you so much (my love to you)
I'll give you everything (everything)
Everything I own
You'll always, always be mine

You're mine
And we belong together
Yes we belong together
For eternity, etern - eternity

You're my, my, my baby
And you'll always be (you'll always be)
I love you so much (my love to you)
I'll give you everything (everything)
Everything I own

You'll always, always be mine

You're mine
And we belong together
Yes we belong together
For eternity, eternity

Blue moon
You saw me standing alone
Without a dream in my heart
Without a love of my own

Blue moon
You knew just what I was there for
You heard me saying a prayer for
Someone I really could care for

And then suddenly appeared before me
The only one my arms could ever hold
I heard somebody whisper, "Please adore me"
And when I looked the moon had turned to gold

Blue moon
Now I'm no longer alone
Without a dream in my heart
Without a love of my own
Blue moon
