I've been searching for
A heart that needs a heart like mine
I've been reaching for
A hand that understands
I've been waiting for
Someone that I can love
That loves me
Loves me for the one that I am

Someone to hold me when I'm lonley
Someone to keep the rain away
They say
They say

[Chorus]
There's one in this world for everyone
One heart
One soul to walk besides you
One in this life to share your love
One touch
To touch the heart inside you
Wanna reach for each night
Wanna trust with your life
That's what I believe
You're the one
The one in this world for me

I've been praying that
Someone like you would rescue me
I've been hoping that
I'll find my way to you
I've been dreaming that
Someday I'll finely find somebody
Somebody to make my dreams come ture

Somebody to hold me when I'm lonley
Someone to give my whole world to
They say
They say

[Chorus]

Somebody to hold me when I'm lonely
Someone to tell my secrets to
Someone who's living for me only
Someone to give my whole world to
They say
They say
They say
They say

[Chorus]

You're the one
You're the one in this world for me
You're the one
