It was a recipe for disaster  
A four course meal of no sirree  
It seemed that happily ever after  
Was happy everyone was after me  
It was a cup of good intentions  
A table spoon of one big mess  
A dash of over reaction  
I assume you know the rest

[Chorus:]

One little slip, One little slip  
It was a fusion of confusion  
With a few confounding things

I guess I probably took the wrong direction  
Well I admit I might have missed a sign or two  
I ran a light past your affection  
At humiliation Avenue  
Took a right turn at confusion  
A left when I shoulda gone straight on threw  
I ran ahead with my assumptions  
We all know what that can do

[Chorus]

I get the felling in this town  
I  
But they'll forget about the sky when they all realize  
this guy's  
about to try to learn to fly or hit the ground

It was a cup of good intentions  
A table spoon of one big mess  
A dash of over reaction  
I assume you know the rest

One little slip, One little slip  
It was a humble little stumble  
With a big un-graceful

[Chorus]
