Yeah yeah yeah yeah
Uh

It seems to me so strange
Check wallet for his name
His face is in the muck
I think his zipper's stuck

He is perfect for me
To practice surgery
When he coragulates
It's time to operate

Just keep it going
Just keep it going
Just keep it going

(CHORUS)
He's not dead he's gonna live
He's not dead he's gonna live
I see his eyes rolling back in his head
He's not dead he's gonna live
He's not dead he's gonna live
I see his eyes rolling back in his head
x2

Come on let's take him home
I think I heard him groan
Hold on or he will sink
Just keep it going

You say a lot I know you can fake it
I can take it
Just keep it going
Just keep it going
Just keep it going

CHORUS

Just keep it going
Just keep it going

Just keep it going
Just keep it going
