Can you hear them
They talk about us
Telling lies
Well that's no surprise

Can you see them
See right through them
They have no shields
No secrets to reveal

It doesn't matter what they say
In the jealous games people play
Our lips are sealed

There's no weapon
That we must use
In our defence...Silence

Spreading rumors
so far from true
Dragged up from the underworld
Just like some precious pearl

It doesn't matter
what they say
In the jealous
games people play
Our lips are sealed

Pay no mind to
what they say
It doesn't matter anyway
Our lips are sealed

Hush, my darling
Don't you cry
Quiet, angel
forget their lies

Can you hear them
They talk about us

Telling lies
Well that's no surprise

Can you see them
See right through them
They have no shields
No secrets to reveal

It doesn't matter what they say
In the jealous games people play
Our lips are sealed

Pay no mind to
what they say
It doesn't matter anyway
Our lips are sealed
Our lips are sealed
Our lips are sealed
...Our lips are sealed...
