Out of bed at the crack of noon
Blare the music and have a swoon
I can't stop thinking of your face
La la lee la lee loo lace
I'm six feet under the Bhodi tree
With my crap new-age philosophy
Diamonds where there once were stars
I'm sitting in Jayne Mansfield's car

Yeah yeah I'm independence
Yeah yeah I'm borderline
Yeah yeah I'm California
My minds all screwed and upside down
But my hearts on overdrive
Yeah my hearts on overdrive

I need to take a shower when I look at you
You sting and hurt like a bad tattoo
I wish you'd change my point of view
I cruise the canyon to get some breeze
With hidden treasures up my sleeve
I like the light and hate the heat
But I'll lick the blood right off your street

Yeah yeah I'm cherry cola
Yeah yeah I'm Candy-eyed
Yeah yeah I'm California
My minds all screwed and upside down
But my hearts on overdrive

They all come here to find a scene
But end up girls on Methedrine
Naked on a TV screen
The dreams that fall beneath my feet
Make my footsteps feel so sweet
But your kisses are my fate accompli

Yeah yeah I'm independance
Yeah yeah I'm borderline
Yeah yeah I'm California
My minds all screwed and upside down

But my hearts on overdrive
Yeah my hearts on overdrive
