"Pain"

Feeling I've been lost for years
You can never understand me
Unless you've seen those tears
But you never get to sleep when I'm away
I don't mind the deeper that you lay
Out of time
Pain
I can't sleep
Pain
I can't sleep
Running, running from those days
There's another one inside me
Guess I've gone insane
But you always run away
When I come around
I don't mind the day
I'll track you down
Run you down
Pain
I can't sleep
Pain
I can't sleep
Don't stop
Don't talk
Do not (fuck) with me
Don't stop
Don't talk
Do not (fuck) with me
Loaded, loaded up this gun
There's a killer in me
Hoping, hope that you're the one
But you always run away
When I come around
I don't mind the day
I'll track you down
And terrify
Pain
I can't sleep
Pain
I can't sleep
Pain

I can't sleep
