Well he looks at me with those innocent eyes  
And he says that it looks like you're  
Wearing some kind of disguise  
Because your hair sticks up, your shoes are untied  
And I hope that you bought that shirt at half price  
And every word I say falls flat on the floor  
I try to tell a joke, he's heard it before  
And I don't think I can take it no more  
He's driving me right out my front door

Why do you do what you do to me baby  
Shaking my confidence, driving me crazy  
You know if I could I'd do anything for you  
Please don't ignore me cause you know I adore you.

Can't you just pretend to be nice  
Could you at least pretend to be nice  
If could you just pretend to be nice  
Well everything in my life would be alright

And I try so hard just to figure him out  
But he won't tell me what he's been thinking about  
And then he falls asleep on the living room couch  
With his sun glasses on and his tongue hanging out  
Then he disappears for a week at a time  
And then he shows up, just like everything's fine  
I don't get what goes on in his mind  
But I'm tired of hearing that same stupid lines

Why do you do what you do to me baby  
Shaking my confidence, driving me crazy  
You know if I could I'd do anything for you  
Please don't ignore me cause you know I adore you.  
Can't you just pretend to be nice  
Could you at least pretend to be nice  
If could you just pretend to be nice  
Well everything in my life would be alright

Why do you do what you do to me baby  
Shaking my confidence, driving me crazy  
You know if I could I'd do anything for you  
Don't mean to bore you cause you know I adore you.

Can't you just pretend to be nice  
Could you at least pretend to be nice  
If could you just pretend to be nice  
Well everything in my life would be alright

Can't you just pretend to be nice  
Could you at least pretend to be nice  
If could you just pretend to be nice  
Well everything in my life would be alright

Can't you just pretend to be nice  
Could you at least pretend to be nice  
If could you just pretend to be nice  
Well everything in my life would be alright

Can't you just pretend to be nice  
Could you at least pretend to be nice  
If could you just pretend to be nice  
Well everything in my life would be alright
