[Mario Winans]
What am I to do, when you act a fool
Do I put on your shoes and act a fool like you
Now baby that ain't cool, you ain't got a clue
What you had in me, too fine to see
And I don't really wanna be baby

[1 - Mario Winans]

What's the reason you want me
Girl the truth is you need me
First you say that you trust me
then you go and betray me
Now I took all I can
And I know I'm a good man
God I wash my hands, make another plan
Cos I don't really wanna stay baby

[Chorus: Mario Winans]

So if you wanna go, walk right out that door
Cos I don't want no more, of your pretty girl bull-ish
If you wanna leave, it's okay with me
Matter of fact I'm begging please
Take your pretty girl bull

[Mario Winans]

Now this is number two, them chance I gave to you
You said it was the end, but here we go again
I thought I was a friend, not just another man
While holding hands, you don't understand
and I don't really get you baby

[1]
