Don't be aroused  
by my confession  
unless you don't give a good god damn  
about redemption  
I know  
Christ is coming  
and so am I  
and you would to if this sexy devil  
caught your eye  
she'll suck you dry  
and still you'll cry  
to be back in her bosom  
to do it again  
she'll make you weep  
and moan and cry  
to be back in her bosom  
to do it again

pray  
till I go blind  
pray  
cause nobody ever survives  
I'm prayin' to stay in your arms just  
until I can die a little longer  
saviors and saints and devils and heathens alike  
she'll eat you alive

jesus has risen  
it's no surprise  
even he would  
martyr his mama  
to ride to hell between those thighs  
the pressure is building  
at the base of my spine  
if I gotta sin  
to see her again  
then I'm gonna lie and lie and lie  
she'll make you cry  
I'll sell my soul

to be back in your bosom  
gladly now please suck me dry  
and still you'll cry  
to be back in her bosom  
do it again

pray  
til I go blind  
pray  
cause nobody ever survives  
I'm prayin to stay in her arms just until I can  
die a little longer  
saviors and saints and devils and heathens alike  
she'll eat you alive

my pulse has been rising  
my temples are pounding  
the pressure is so overwhelming  
I'm building  
so steady there freddy  
I'm ready to blow  
what is she what is she what is she  
waiting for

pray  
until I go blind  
pray  
because no one ever survives  
praying to stay in your arms just to die  
a little longer  
saviors and saints and devils and heathens alike  
she'll eat you alive
