Roll With Me Henry  
Performed by Etta James

Hey Baby, what do I have to do  
To make you love me too

You've got to roll with me Henry  
(Alright baby)  
Roll with me Henry  
(Don't mean maybe)  
Roll with me Henry  
(Any ole time)  
Roll with me Henry  
(Don't change my mind)  
Roll with me Henry  
(Alright)

You better roll it while the rollin' is on  
Roll on, roll on, roll on

While the cats are ballin'  
You better stop your stallin'  
It's intermission in a minute  
So you better get with it

Roll with me Henry  
You better roll it while the rollin' is on  
Roll on, roll on, roll on

Ooh, ooh, ooh, ooh wee  
Henry, you ain't movin me  
You better feel that boogie beat  
And get the lead out of your feet

Roll with me Henry  
Roll with me Henry  
Roll with me Henry  
Roll with me Henry  
Roll with me Henry  
You better roll it while the rollin' is on  
Roll on, roll on, roll on

Come on  
Roll with me Henry

Well I ain't teasin'  
(Talk to me baby)  
You better stop your freezin'  
(All right mama)  
If you want romancin'  
(Okay sugar)  
You better learn some dancin'  
(Mmhmm)  
Roll with me Henry  
(All right mama)  
You better roll it while the rollin' is on  
Roll on, roll on, roll on

Roll with me Henry  
(Alright baby)  
Roll with me Henry  
(Don't mean maybe)  
Roll with me Henry  
(Any ole time)  
Roll with me Henry  
(Don't change my mind)  
Roll with me Henry  
(Alright)  
You better roll it while the rollin' is on

Roll with me Henry  
(Alright baby)
