Rosey - Love

Love, I am so different

Love, I am so different than before

Love, can I be loved

Love, could I ever really be loved

Love, if you ever find me I wonder

Will you try me I'm so different than before

Love, the kind that I've dreamed of

It starts right here inside of me love

Love, if you ever find me I wonder

Will you try me I'm so different than before

Love, I am so different than before

Love, where are you waiting

In dark and smoky rooms I hear you singing to me

Love, let my voice take you

and the songs we'd make will be so different than before

Ooh yes

My love, if you ever find me

Then I ask you try me I am so different than before

Love, I am so different than before

Love this time you won't mistake me

I'm ready love for you to take me with you

Love, if you ever find me I wonder

Will you try me I'm so different than before

Ooh yes

My love, I know when you found me wrap yourself all around me

Then I ask you try me I am so different than before

Ooh yes,

My love I know you will show me and words

You never told me are so different then before
