[SALLY]

[SALLY]

I sense there's something in the wind
I sense there's something in the wind
That feels like tragedy's at hand
That feels like tragedy's at hand
And though I'd like to stand by him
And though I'd like to stand by him
Can't shake this feeling that I have
Can't shake this feeling that I have

The worst is just around the bend
The worst is just around the bend

And does he notice my feelings for him?
And does he notice my feelings for him?
And will he see how much he means to me?
And will he see how much he means to me?
I think it's not to be
I think it's not to be

What will become of my dear friend?
What will become of my dear friend?
Where will his actions lead us then?
Where will his actions lead us then?
Although I'd like to join the crowd
Although I'd like to join the crowd
In their enthusiastic cloud
In their enthusiastic cloud
Try as I may, it doesn't last

Try as I may, it doesn't last
And will we ever end up together?

no, I think not, it's never to become
And will we ever end up together?
For I am not the one
No, I think not, it's never to become

For I am not the one
