Well, we got no choice, all the girls and boys
Making all that noise, 'coz they found new toys
Well we can't salute ya, can't find a flag
If that don't suit ya, that's a drag

School's out for summer
School's out forever
School's been blown to pieces

No more pencils, no more books
No more teacher's dirty looks

Well, we got no class, and we got no principles
And we got no innocence
We can't even think of a world that rhymes

School's out for summer
School's out forever
School's been blown to pieces

No more pencils, no more books
No more teacher's dirty looks
Out for summer, out till fall
We might not go back at all

School's out forever
School's out for summer
School's out with fever
School's out completely
