Boy you're so hard to believe (x2)

'verse 1'

Just a friend

That's all I've ever been to you

Oh just a girl

Who wants to be the center of your world

But I aint got much to offer but my heart and soul

And I guess that's not enough for you to notice me

I'm just a girl and I guess that's all I'll ever be to u

'Chorus'

I try to smile when I see other girls with you

Acting like everything is okay but oh

You don't know how it feels to be so in love

With someone who doesn't even know

My secret love

'Verse 2'

In my dreams

I see us both together constantly

Why can't you see?

This love that's here for you inside of me

What do I have to do for you to notice this?

You look at her with love for me its just friendship

I'm just your girl and I guess that's all I'll ever be to you

'Chorus'

I try to smile when I see other girls with you

Acting like everything is okay but oh

You don't know how it feels to be so in love

With someone who doesn't even know

My secret love

'Bridge'

What do you see in her?

You don't see in me

Boy you're so hard to believe

Why do u show her love

But there's none for me

Boy u don't make sense to me

Is it because I don't have much to offer?
But my heart and soul
And I guess that's not enough
For you to notice me
I'm just a girl
And I guess that's all I'll ever be to you

'Chorus'

I try to smile when I see other girls with you
Acting like everything is okay but oh
You don't know how it feels to be so in love
With someone who doesn't even know
My secret love

Boy you're so hard to believe
