On my mind, my mind, my my my mind  
Sex is on my mind

Chorus:

Sex is on my mind  
(I wanna love you down if you let me)  
Sex is on my mind  
(I wanna be the one that you're sexin')  
Sex is on my mind  
(I wanna love you girl if you let me)  
Sex is on my mind  
(I wanna be the one that you're sexin')

I know she's heard it all before  
But she was way too fly for me to ignore  
I knew at this time I would have to come real  
So she would know exactly how I feel  
And I wanted her to be with me  
Kissing her lips is all my mind would think  
Just one night alone and I cannot wait  
To hit that booty, yeah

Chorus

I finally got her all alone  
I stared so hard I saw right through her clothes  
Then I licked my lips 'cause I knew today  
That I would finally get my way  
And this is like a freaky dream  
I'm living out a braless fantasy  
See she was a freak that would do anything  
Just to hear me scream

Girl you know you got me going crazy  
loosen my mind and saying "Maybe"  
Girl you know you got me going crazy  
All the time  
You got me going crazy  
loosen my mind and saying "Maybe"  
Girl you know you got me going crazy  
All the time

Chorus

Going crazy  
Insane baby  
Going crazy  
All the time

Chorus to end
