there you go
you're always so right
it's all a big show
its all about you

you think you know
what everyone needs
you always take time
to criticise me

it seems like everyday
i make mistakes
i just cant get it right
it's like im the one
you love to hate
but not today

so shut up shut up shut up
don't wanna hear it
get out get out get out
get out of my way
step up step up step up
you'll never stop me
nothing you say today
is gonna bring me down

there you go
you never ask why
it's all a big lie
whatever you do

you think your special
but i know and i know and i know
and we know
that you're not

your always there to point out
my mistakes
and shove them in my face
it's like im the one you love to hate
but not today

so shut up shut up shut up
don't wanna hear it
get out get out get out
get out of my way
step up step up step up
you'll never stop me
nothing you say today
is gonna bring me down

don't tell me who i should be
and don't try to tell me whats right for me
don't tell me what i should do
i don't want to waste my time
i'll watch you fade away

so shut up shut up shut up
don't wanna hear it
get out get out get out
get out of my way
step up step up step up
you'll never stop me
nothing you say today
is gonna bring me down

so shut up shut up shut up
don't wanna hear it
get out get out get out
get out of my way
step up step up step up
you'll never stop me
nothing you say today
is gonna bring me down
