Seems like ever since the first day we met there is no
one
else I think of more than you, can't seem to forget,
can't get
you out my head, guess the verdicts in, I'm crazy over
you

How can one be down tell me where to start, cause
every time
you smile I feel tremors in my heart, I have but one
concern
how can I get with you, till I'm with you here's what I'm
goin' do.

Chorus: Be sittin' up in my room, back here thiking
about you
I must confess I'm a mess for you, be sittin' up in my
room back
here thinkin' bout you I must confess I'm a mess for
you.

Pray that you'll invest in my happiness all it take is just
one simple
call from you. Turn my heart around if I'm making
ground, pretty baby
please tell me if I'm getting through

Tell me what is you see I need to know tell me if I'm far
or if
I'm way too close, I have but one concern and that one
concern
is you till I'm with you here's what I'm goin do

Chorus:

How can one be down, tell me where to start
Cause everytime you smil, I feel tremors in my heart
I have but one concern, how can i get with you
Til my day comes, here's what I'm gonna do

Chorus:
