Before you landed
I had a will but didn't know what it could do
You were abandoned
And still you're handing out what you don't wanna lose
You make me drop things
Like all the plans I had for a life without you

Someone to die for
Someone to fall into when the world goes dark
Someone to die for
Someone to tear a hole in this endless night
Someone like you

I'm drunk when sober
The room is spinning
You are what I hold on to
You're taking over
I find that giving in is the best I can do

Someone to die for
Someone to fall into when the world goes dark
Someone to die for
Someone to tear a hole in this endless night
Someone like you

Someone to die for
Someone to die for
Someone to die
Someone
Someone
Someone
Someone to die for
Someone to fall into when the world goes dark
Someone to die for
Someone to tear a hole in this endless night
Someone
Someone like you
