Somewhere Someday
Performed by *NSYNC

Clouds above you start to pour
All of your doubts rage like a storm
And you don't know where you are anymore
Let me help you find what you've been searching for

(Somewhere) somewhere there's a field and a river
(Somewhere) you can let your soul run free
(Some day) some day let me be the giver
Let me bring you peace
(Somewhere) somewhere there's a break in the
weather
(Somewhere) where your heart and spirit go free
(Some day) some day it'll be for the better
Let this bring you peace

Girl I know you think no one sees
The weight on your shoulder but you can't fool me
And aren't you tired of standing so tall
Let me be the one to catch you when you fall

(Somewhere) somewhere there's a field and a river
(Somewhere) you can let your soul run free
(Some day) some day let me be the giver
Let me bring you peace
(Somewhere) somewhere there's a break in the
weather
(Somewhere) where your heart and spirit go free
(Some day) some day it'll be for the better
Let this bring you peace

Let me bring you joy
Let me bring you peace
Take these tears that you cry
And trust them to me
Let me give you hope
Let me give you a home
Be the one constant love
That you never know

(Somewhere) somewhere there's a field and a river
(Somewhere) you can let your soul run free
(Some day) some day let me be the giver
Let me bring you peace
(Somewhere) somewhere there's a break in the
weather
(Somewhere) where your heart and spirit go free
(Some day) some day it'll be for the better
Let this bring you peace
