what comes up must come down  
yet my feet don't touch the ground  
see the world spinnin upside down  
a mighty crash without a sound  
i can feel your every rage  
step aside i'll turn the page  
breaking through your crazy maze  
like a laser beam my eyes on you

watch me rule the night away  
watch me save the day  
feel my storm is getting close  
headed your way

sonic heroes  
sonic heroes  
bind you confine you defying your reign  
sonic heroes  
sonic heroes  
setting the stage for a hero's parade

i won't even hesitate  
a second left to alter fate  
you try to strike but a bit too late  
i got you hooked by my own bait

watch me rule the night away  
watch me save the day  
feel my storm is getting close  
headed your way

sonic heroes  
sonic heroes  
bind you confine you defying your reign  
sonic heroes  
sonic heroes  
setting the stage for a hero's parade

you can bet there ain't no doubt  
as the words spill from the mouth  
of a hero

i can chase another day  
fight you all the way  
like a hero

and together we stand strong no matter how  
no one can bring us down  
yeaeaahh

sonic heroes  
sonic heroes  
bind you confine you defying your reign  
sonic heroes  
sonic heroes  
setting the stage for a hero's parade

sonic heroes

sonic heroes

give us a reason and we'll find our way
