### "Sorry - All Too Much"

Visit "[Sorry - All Too Much](#)" on MotoLyrics.com

Don't ask me if it looks good on you  
Don't ask me if you're pretty  
Prettier than all your friends  
Don't ask me don't ask me

(CHORUS)

Sorry again today  
It's just you're not ok  
It's only my mind that's it  
You're torturing me again

I can't remember your birthday  
Feel like I know it  
I want you to trust me  
Just don't protect me

CHORUS

Cuz I say I'm sorry but I don't mean it  
Say that's fine but I don't mean it  
Say I love you but I don't mean it  
I don't mean it

Don't ask me if it looks good on you  
Don't ask me if you're pretty  
Prettier than all your friends  
Don't ask me don't ask me

CHORUS
