This your main man Knuckles, and we at Meteor Herd,  
You ready to go to space? Help me get the Emeralds.

\*REPEAT STARTS HERE\*

Shot into space, and left my home,  
At least with friends, and I'm not all alone,  
Bad thing was, that the Emerald spilled,  
Got into space, man, time to get in.

What's this? Can't fly all the time,  
I just go slow, hope I don't die,  
Meteors coming my way, weave it, gotta go straight,  
Anywhere you go, crime don't pay,  
Take a break, just Eggman's face.

Don't let it hit you, move,  
Don't let it hit you, move,  
Don't let it hit you, move, move,  
Don't let it hit you, move.

Don't let it hit you, move,  
Don't let it hit you, move,  
Don't let it hit you, move, move,  
Don't let it hit you, move.

Don't let it hit you, move,  
Don't let it hit you, move,  
Don't let it hit you, move, move,  
Don't let it hit you, move.

Don't let it hit you, move,  
Don't let it hit you, move,  
Don't let it hit you, move, move,  
Don't let it hit you, move.
