Song: Sprung Lyrics

[Omarion:]

Yo, its alright girl

I understand how you feel

You aint gotta lie to yourself

Its easier to see

Listen

[Verse 1:]

Baby its official

I'm tired of lookin at ya out my window

I peep you when you're coming home from work

With your high heels on

Oh you're the bomb

Girl you've got it goin on

Its crazy

I'm tired of tellin people i'm your homie

I think i know that you really want me

Girl i know its wrong

I'm feelin you strong

Why dont you just put me on

[Chorus:]

When you're loving me

And you're touching me

Its like ecstasy

To the tenth degree

Girl i think you've got me sprung (You got me sprung)

I'm not number one (Ohh)

I'm too young for you

Hes not young enough (No)

To do what i do

Now aint that the truth

Girl i think you've got me sprung (Gil you've got me,  
sprung)

I'm not number one, no

[Verse 2:]

(Listen)

Girl you see i need you

I know you're mad at how your man treats you  
And he cant do it for you like i do  
You claim you wanna leave  
So give him back his keys  
Girl come and roll with me  
Its simple  
If you dont wanna be with shorty no more  
Then turn around and walk in through my house doors  
Its open for you  
And tell him that you're through

[Chorus:]

When you're loving me  
And you're touching me  
Its like ecstasy (Yeah baby)  
To the tenth degree  
Girl i think you've got me sprung (no no)  
I'm not number one  
I'm too young for you (I'm not number one)  
Hes not young enough  
To do what i do  
Now aint that the truth  
Girl i think you've got me sprung (I said you got me  
sprung baby)  
I'm not number one, no

[Bridge:]

Keep it real with me (Oh baby)  
Dont try to play me girl (Dont try to play me girl)  
Cuz he has got you hurt(Oh Can you tell me)  
What he's got on me  
Is anything or tears  
Are you afraid that i will win you

[Chorus:]

When you're loving me  
And you're touching me  
Its like ecstasy  
To the tenth degree (oh)  
Girl i think you've got me sprung (You've got me yeah)  
I'm not number one  
I'm too young for you  
Hes not young enough  
To do what i do (Do)  
Now aint that the truth  
Girl i think you've got me sprung  
I'm not number one, no

[Omarion:]

Wooh  
I aint gonna lie

I got you now  
Thats real though
