Late last night, I was dreamin'
I was dreamin' of your charms
I was standin' on the edge of love, darlin'
With you in my arms

Well, you whispered sweet things
And told me
That you love me
And always be true
And you'd stand on the edge
Of love with me, if I'd stand with you

That's why I'm standin'
On the edge of love
Just about to lose my mind
That's why I'm standin'
On the edge of love, darlin'
One more time

Now, a young man's mind
May wander
Wander the distant shores
If you'll just come here
Stand with me
I won't wander, no more

Yes, I promise
That I'll stop all my gamblin'
Stop stayin' out late all night
We might even settle down
And have babies
Treat ourselves, right

That's why I say, you know

I'm standin' on the edge of love
Just about to lose my mind
That's why I'm standin'
On the edge of love, darlin'
One more time

(guitar and instrumental)
