[Verse 1]
Feel the rhythm of the beat That?
Cupid shot me with an arrow From the start
And you know that it?
Every time I try to leave, you bring me back

So much harder at times I cried a river
You dried my eyes and brought me back together
And when I lay next to you I want to wake up
And when I break up
It?

[Chorus]
boy, no matter what we go through
u step up, I?
it don?
as along as ur my boo
no matter how hard it gets
this love will have no regrets
as long as when were steppin?
it?

[Verse 2]
And if we don?
We?
So confused, don?
Hold my hand and let me know that you feel me too
Look into my eyes and tell me
Baby I love you

You?
?
And we can make it through any kind of weather
If you step up
I?
Boy

?

[Chorus]
boy, no matter what we go through
u step up, I?
it don?
as along as ur my boo
no matter how hard it gets
this love will have no regrets
as long as when were steppin?
it?

[Bridge]
And when im stepping a place, I feel my feet
lifting from underneath
You grab my hand
Spin me around
And right before I fall
You catch me and you say
Baby, it?
Just look into my eyes and we will make another day

[Chorus 2x]
boy, no matter what we go through
u step up, I?
it don?
as along as ur my boo
no matter how hard it gets
this love will have no regrets
as long as when were steppin?
it?

Step up, this is sitting for the window
(Step,step,step up) this is sitting for the window,hey
(step,step,step up) this is sitting for the window
no-oo-oo!

[Chorus]
boy, no matter what we go through
u step up, I?
it don?
as along as ur my boo
no matter how hard it gets
this love will have no regrets
as long as when were steppin?
it
