Say it say it
Say it say it

Alone, you support, then embrace
Another reason to see
Success, we unfold, clutching firm
That in me panics for sure

Say it, say it, that it's done
I want, want it, need it done
Say it, say it, that it's done
I want, want it, need it done

The lie, want to know, has it met
Expectations so far
Now run, make amends, feeling torn
Boy you better be sure

Say it, say it, that it's done
I want, want it, need it done
Say it, say it, that it's done
I want, want it, need it done

Still running
Never waking up, say it
Still running
Never waking up, say it
Still running
Never waking up, say it
Still running, Still running, Still running
still running

Say it, say it, that it's done
I want, want it need it done
Say it, say it, that it's done
I want, want it need it done

Say it, say it, that it's done
I want, want it need it done
Say it, say it, that it's done
I want, want it need it done
