"Strut"

Visit "[Strut](#)" on MotoLyrics.com

you can breathe in the music
the city makes
you can move by the rythm
the gypsies play
deep inside it comes alive

you've gotta strut like you mean it
free your mind
its not enough just to dream it
c'mon c'mon c'mon

found in the pavement
kickin through the streets
so wonder like picasso
in the bassalona heat
passion is the fashion
and life is a portrait
welcome to another world where every
heart can beat

you've gotta strut like you mean it
free your mind
its not enough just to dream it
c'mon c'mon c'mon

[say it loud and proud girls!!! all scream:
CHEETAH-LICIOUS!!!!]

everybody knows that
something new is coming on

you've gotta strut like you mean it
free your mind
its not enough just to dream it
c'mon c'mon

[spanish]

c'mon c'mon

[spanish]

strut
c'mon c'mon
