You fell away
What more can I say?
The feeling's evolved
I won't let it out
I can't replace
Your screaming face
Feeling the sickness inside

Why won't you die?
Your blood in mine
We'll be fine
Then your body will be mine

So many words
Can't describe my face
This feeling's evolved
So soon to break out
I can't relate to a happy state
Feeling the blood run inside

Why won't you die?
Your blood in mine
We'll be fine
Then your body will be mine

Why is everything so fucking hard for me?
Keep me down to what you think I should be?
Must you tempt me and provoke the ministry?
Keep on trying, I'll not dine so easily (I will not die)

Why is everything so fucking hard for me? (I will not die)

Why won't you die?
Your blood in mine
We'll be fine
Then your body will be mine
