A heaven I'd get with a hope  
Just like the feeling inside, it's no joke  
And though it hurts me to treat you this way  
Betrayed my words, I'd never heard, too hard to say  
Up, down, turn around  
Please don't let me hit the ground  
Tonight I think I'll walk alone  
I'll find my soul as I go home

Each way I turn, I know I'll always try  
To break this circle that's been placed around me  
From time to time, I find I've lost some need  
That was urgent to myself, I do believe  
Up, down, turn around  
Please don't let me hit the ground  
Tonight I think I'll walk alone  
I'll find my soul as I go home

Oh, you've got green eyes  
Oh, you've got blue eyes  
Oh, you've got grey eyes  
And I've never seen anyone quite like you before  
No, I've never met anyone quite like you before  
Thoughts from above hit the people down below  
People in this world, we have no place to go  
Oh, it's the last time  
Oh, I've never met anyone quite like you before  
Oh no, I've never met anyone quite like you before
