I'll tell you something
I am a wolf but
I like to wear sheep's clothing
I am a bonfire
I am a vampire
I'm waiting for my moment

Chorus:
You come on like a drug
I just can't get enough
I'm like an addict coming at you
For a little more
And there's so much at stake
I can't afford to waste
I never needed anybody like this before

I'll tell you something
I am a demon
Some say my biggest weakness
I have my reasons
Call it my defense
Be careful what you're wishing

(Chorus)

You are a secret
A new possession
I like to keep you guessing

(Chorus)

When I'm not sure what I'm living for
When I'm not sure what I'm looking for (verse x3)
